June 2026

Volume XXX Issue 6

Jun 25 6:00 PM General Membership Meeting  
Bistro Orleans, 3216 West Esplanade Ave., Metairie,

## From the President's Garage

For all those who attended the crawfish boil at Bruce and Susie Lambert's house, thank y'all for coming. (And yes, was running the meeting despite the storm!) The weather was supposed to be extremely bad, but it held off and we didn't even have a drop of rain. The crawfish were big and there

were a few shrimp thrown in, as I recall. The camaraderie is always welcomed. We got Susie's blue T-bird up on the lift, so Bruce could do the final touches to get it running again. He claims to have it ready for Cruisin the coast at the first week of October. (I think everyone is ready for him to get it running again!) We all are watching patiently. My seven-year-old grandson Julian and I are headed to the national De Soto convention on Tuesday the 15th and I will be back that Friday. Looking forward to seeing everyone at the June meeting on the 25<sup>th</sup>. Bruce will give a presentation on fuel taxes and highway funding. Sounds Interesting?

## *Minutes of the Horseless Carriage Club Meeting May 23, 2026*

Thomas opened the meeting at 1:57 pm. He and Bruce led the pledge and then Bruce offered a prayer.

He opened by thanking all the members in attendance today, and for Mike Price for cooking, and hopes everyone is enjoying the fellowship with our members, the crawfish and many different side dishes supplied by our members

Dave presented the treasurer's report explaining all credits and debits. Jack made a motion and was seconded by Charles to accept the treasurer's report, by a show of hands the motion passed.

Thomas asked for a motion to accept the March minutes as printed in the Kar Kapers, Cristy made the motion, seconded by Dave, a show of hands and the motion carried.

Here are a few things our members are doing...

Jack has been working on his Model "T" preparing it for an upcoming tour. He jumped in the Jag and took a trip to Arkansas, drank some beer and came home.

Charles continues to make progress with the Lincoln and reports the interior installation is moving along nicely. He also had some repairs on his hand and is healing nicely.

Dave is working on the Woody wagon.

Thomas reports that the 1941 Cadillac is nearing completion and the '52 DeSoto is next.

Charlie and Ardie are packing the 57 Ford and heading to Pennsylvania for a tour.

The ALL CLUBS PICNIC was held on the 25th of April and was an enjoyable event that was well attended. Members enjoyed the food, cars and socializing.

The Annual Louisiana Tour was held the first weekend of this month, several members of the club attended.

Our next meeting will be conducted at Bistro Orleans, 3216 West Esplanade on 25 June @6:00pm.

With no other business to conduct, Jack made a motion to adjourn and was seconded by Paul. A show of hands and the meeting was closed at 2:11 pm.

Submitted, Larry Larmeu, Secretary
